

# BEYOND BORDERS

**Fri 21st to Sun 23rd Aug**

**At the squatted J.B. Spray  
factory on Russell Street,  
Nottingham, NG7 4FL.**

Beyond Borders is a weekend of practical skill sharing and discussion for people who are fighting for migrant rights and against border controls.

The event is aimed at all migrants and all those who wish to show solidarity with the struggles of migrants.

Planned sessions cover campaigning against detention, charter flights and deportations, the struggles of migrant workers, women and those fleeing environmental devastation. We also hope to discuss strategies for opposing border controls.

We will also be using the space to exhibit art, music and films by and about migrants.
