

Nottingham People's Choir

*"Singing for
everyone"*

A new choir is being launched in April 2013. The aim of the choir is to promote health and well-being through the joy of singing. Singers welcome but ability to sing is not essential.

We hope the choir will be fun, help people to build confidence and find friendship. We welcome adults aged 16 and onwards, we particularly welcome older and disabled people. We will meet every Thursday afternoon during school term-time and the first session will be on:

Thursday 18th April, 1.00-2.30pm

in the 4th floor foyer of the Royal Concert Hall, Theatre Square,
Nottingham, NG1 5ND.

We ask for a donation of about £2 per week which will include refreshments
